IDAHO PUBLIC
UTILITIES COMMISSION

Attorney for the Idaho Conservation League

BEFORE THE IDAHO PUBLIC UTILITIES COMMISSION

IN THE MATTER OF IDAHO POWER)	CASE NO. IPC-E-16-14
COMPANY'S APPLICATION FOR)	
APPROVAL OF NEW TARIFF)	PETITION TO INTERVENE OF THE
SCHEDULE 63, A COMMUNITY)	IDAHO CONSERVATION LEAGUE
SOLAR PILOT PROGRAM.)	

COMES NOW the Idaho Conservation League ("ICL") and hereby requests leave to intervene in the above captioned matter pursuant to the Idaho Public Utilities Commission Rules of Procedure, IDAPA 31.01.01.071-073. As discussed below, ICL has direct and substantial interests in these proceedings, and therefore should be granted intervention.

1. The name of this intervenor is:

Benjamin J. Otto
Idaho Conservation League
710 N. 6th st.
Boise, Idaho 83702
Ph: (208) 345-6933 x 12
Fax: (208) 344-0344
botto@idahoconservation.org

Please provide copies of all pleadings, production requests, production responses, Commission orders, and other documents to the name and address above. In the interest of conserving natural resources and reducing the costs to all parties, please provide hard copies of pleadings, testimony, and briefs only. Production requests, responses, notices, Commission orders, and other filings may be submitted via electronic mail in accordance with IPUC Rules 31.01.01.063.02-03.

2. The Idaho Conservation League claims a direct and substantial interest in this proceeding. As Idaho's largest state-based conservation organization, we have over 25,000 supporters, most of who are residential customers of Idaho Power. ICL also has an interest as a small commercial customer of Idaho Power taking service under Schedule 7. ICL and our supporters have a substantial interest in promoting clean energy alternatives that avoid burning

fossil fuels and the need for additional energy infrastructure, both of which meet our supporters' desire to protect Idaho's air quality and natural landscapes. We have a direct and substantial interest in the design of the Community Solar Pilot program to ensure customers have a realistic option to participate while non-participants are insulated from unwarranted impacts. ICL's intervention will not unduly broaden the issues in this proceeding; rather ICL will respond to Idaho Power's proposal.

3. ICL intends to fully participate in this matter as a party. The nature and quality of ICL's intervention in the proceeding is dependant upon the nature and effect of other evidence in this proceeding. If necessary ICL may introduce evidence, be heard in argument, and call, examine, and cross-examine witnesses. ICL intends to seek intervenor funding pursuant to IDAPA 31.01.01.161-165.

WHEREFORE, ICL respectfully requests the Commission grant this petition.

DATED this 28th day of June 2016.

Respectfully submitted,

Benjamin J. Otto
Idaho Conservation League
